Himmel auf Erden Von Elisabeth Lerchbaum Dieses Buch beginnt mit der Schilderung einer Vision von Engeln, die 2 Teenager unabhängig voneinander ihrem Pastor erzählt haben. Allein deswegen lohnt sich dieses Buch. Der Autor ist ein reifer

Christ, der schon viel mit Gott erlebt hat und andere dazu ermutigt, dieses Leben zu ergreifen. Er glaubt an Jesus Christus und spricht vom Leben in Flie.0 von 0 Kunden fanden die folgende Rezension hilfreich. Karl UbrigVon Karl UbrigHave just started to read the book so am only a couple of chapters into it but so far I really like the book and would encourage others to get it and read it.

Kurzbeschreibung "If we want to know God personally, to relate to him intimately," says international evangelist Che Ahn, "we must be prepared to receive and experience his glory." Born out of his personal experiences with numerous revival movements around the world, Ahn provides insights into the manifest presence of God--his glory--showing how it reveals both his character and his power. But Ahn takes it deeper by exploring the ways God's glory is displayed. Ahn also discusses God's purposes for revealing his glory, how he uses it to make us one with him, how his glory calls us to holiness, and much more. An invaluable resource, this book will appeal to believers who are looking to go deeper with God and allow his glory to transform them.
