Von Robert Draper : When the Tea Party Came to Town: Inside the U.S. House of Representatives' Most Combative, Dysfunctional, and Infuriating Term in Modern History (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised When the Tea Party Came to Town: Inside the

U.S. House of Representatives' Most Combative, Dysfunctional, and Infuriating Term in Modern History (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr interessantVon KaiSuper interessantes und aufschlussreiches Buch für alle die wissen möchten warum die Amis nichts auf die Reihe kriegen.Nie trocken, immer unterhaltend.

KurzbeschreibungWhen the Tea Party Came to Town demonstrates Robert Drapers uncanny ability to ferret out news-making tidbits and provides us with the first look at this game-changing Congresssure to be a classic work.In When the Tea Party Came to Town, Robert Draper delivers the definitive account of what may turn out to be the worst congressional term in United States history. As he did in writing about President George W. Bush in Dead Certain, Draper burrows deep inside his subject, gaining cooperation from the major players, and provides an insiders book like no one else cana colorful, unsparingly detailed, but evenhanded narrative of how the House of Representatives became a house of ill repute. Because of the bitterly divided political atmosphere in which we live, this literary window on the backstage machinations of the House of Representatives is both captivating and timelyrevealing the House in full, from the process of how laws are made (and in this case, not made) to the most eye-popping cast of lawmakers Washington has ever seen.PressestimmenVivid . . . Compelling . . . [Drapers] refreshingly balanced account captures the drama of one of Congresss most combative and maddeningly frustrating years in memory. (The Wall Street Journal)Colorful . . . An engaging and often funny chronicle of the year in the House of Representatives following the Tea Partypowered 2010 elections. (The New York Times Book)Superb . . . A rich and deeply reported look at the House Republicans who took over the chamber after the 2010 elections. (Ryan Lizza The New Yorker's "Ten Best Political Books of 2012")A gripping and fast-paced narrative. (The Daily Beast)KurzbeschreibungWhen the Tea Party Came to Town demonstrates Robert Drapers uncanny ability to ferret out news-making tidbits and provides us with the first look at this game-changing Congresssure to be a classic work.In When the Tea Party Came to Town, Robert Draper delivers the definitive account of what may turn out to be the worst congressional term in United States history.
