Von Dan Woods, Peter Thoeny : Wikis For Dummies before purchasing it in order to gage whether or not it would be worth my time, and all praised Wikis For Dummies:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Wikis EasyVon Michael HocheEin weiteres gutes Buch aus der "for Dummies" Serie. Man findet viele Tips, Traps, and Pitfalls beim Umgang mit Wikis und Communities. Anschaulich und leicht verstdlich werden dem Leser Wikis beschrieben und wie diese auch gewinnbringend genutzt werden knnen und welche Gefahren existieren. Es werden einige Wikis vorgestellt. Die Autoren beschreiben auch nicht nur den Umgang, sondern auch die Etablierung eines Wikis und das Erstellen von Applikationen unter Verwendung von Strukturierten Seiten.Eine gute Einfhrung in diese Web 2.0 Technik.0 von 0 Kunden fanden die folgende Rezension hilfreich. Profund but with outdated examplesVon Carsten JungDescribes all Details very good. Unfortunately the given Examples are outdated. Could be a Bit more

specific on vertan techniques and the practical use of taxonomies, etc.

Kurzbeschreibung Corporations have finally realized the value of collaboration tools for knowledge sharing and Wiki is the open source technology for creating collaborative Web sites, as either a public site on the Internet or on a private intranet site Shows readers how to set up Wikis in a corporate setting or on a personal site so that users can retrieve information, post information, and edit the content Covers everything from choosing a Wiki engine to administration and maintenance Discusses the advantages of using Wiki in a corporate environment, which companies such as Microsoft, Boeing, Disney, and Motorola have already discovered Kurzbeschreibung Corporations have finally realized the value of collaboration tools for knowledge sharing and Wiki is the open source technology for creating collaborative Web sites, as either a public site on the Internet or on a private intranet site Shows readers how to set up Wikis in a corporate setting or on a personal site so that users can retrieve information, post information, and edit the content Covers everything from choosing a Wiki engine to administration and maintenance Discusses the advantages of using Wiki in a corporate environment, which companies such as Microsoft, Boeing, Disney, and Motorola have already discovered Synopsis Corporations have finally realized the value of collaboration tools for knowledge sharing and Wiki is the open source technology for creating collaborative Web sites, as either a public site on the Internet or on a private intranet site. This title shows readers how to set up Wikis in a corporate setting or on a personal site so that users can retrieve information, post information, and edit the content. It covers everything from choosing a Wiki engine to administration and maintenance. It discusses the advantages of using Wiki in a corporate environment, which companies such as Microsoft, Boeing, Disney, and Motorola have already discovered.
