Von Kinnary Jangla : Windows 10 Revealed: The Universal Windows Operating System for PC, Tablets, and Windows Phone before purchasing it in order to gage whether or not it would be worth my time, and all praised Windows 10 Revealed: The Universal Windows Operating System for PC, Tablets, and Windows Phone:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Aus Vorfreude auf das Lumia 950 sehr empfehlenswert.Von GerdDas Buch ist wirklich gut und vollstndig. Ich vertreibe mir damit etwas die Zeit, bis meine neues Lumia 950 kommt. Es macht nicht, dass es keine deutsche Ausgabe gibt, wenn man einigermaßen Englisch lesen kann. Zustzlich benutze ich den Google bersetzer (Englisch-Deutsch offline). Ohne diese Kenntnisse kann man die groen Vorteile dieses tollen Phones (ich schreibe absichtlich nicht: Handy) nicht ausnutzen. Wegen der tollen Bilder lese ich es auf meinem iPad mini.Gru Gerd

KurzbeschreibungWindows 10 Revealed is your essential step-by-step guide to using a desktop, laptop, Surface or Windows Phone running Microsoft Windows 10, providing a complete resource for both the beginner and the enthusiast. Techniques are illustrated step-by-step using photography and screen shots throughout, together with concise, easy to follow text from an established expert in the field, providing a comprehensive guide to Windows. Whether you have just bought your first computer, laptop or are a keen computer user who has just upgraded to Windows 10, this book will provide you with a firm grasp of the underpinning foundations and equip you with the skills needed to use a computer like a pro.What you'll learnUpgrading your device to Windows 10Navigating around the Windows interface and user experience for PC, Surface tablet and Windows PhoneA tour of Windows 10's features, menus and utilitiesMaking best use of the interactive notifications and quick links on your phoneUsing the new capabilities of the built-in browser, Edge, on all types of devicesUsing and customizing Cortana, the personal digital assistant, to meet your needsUsing the new built in universal apps like Word, Excel and PowerPointUsing other apps like Mail, Calendar and PhotosSyncing your work across all your devicesUnderstanding the daily common tasks you can perform with this new version of WindowsWho this book is forThis book is for those users new to Windows 10, coming from Windows 8.1, Windows 7 or even new to Windows altogether.KurzbeschreibungWindows 10 Revealed is your essential step-by-step guide to using a desktop, laptop, Surface or Windows Phone running Microsoft Windows 10, providing a complete resource for both the beginner and the enthusiast.
