Mary before FlorenceVon OnlineCounsellingJamaicaThis is the companion volume to Lady Nugent's Journal as every story has two sides, especially that of Jamaica and it's women. Here is the lady whose practices formed the basis of Florence Nightingale's fame. Florence heard of Mary's protocols for fighting pestilences of the day and they made Florence

famous but she wouldn't employ Mary. Mary's spirit remains alive in Jamaican women who continue to innovate to survive. Another indispensable book to historians of the Americas and women. This book, the Dictionary of Jamaican English and Lady Nugent's Journal sit side by side as prizes on my shelf. Shub Down Small-up Yusef! Diaries of Jamaica by BusThe Brown Phoenix: An Erotic Dialogue from The Indies

Kurzbeschreibung Written in 1857, this is the autobiography of a Jamaican woman whose fame rivalled Florence Nightingale's during the Crimean War. Seacole's offer to volunteer as a nurse in the war met with racism and refusal. Undaunted, Seacole set out independently to the Crimea where she acted as doctor and 'mother' to wounded soldiers while running her business, the 'British Hotel'. A witness to key battles, she gives vivid accounts of how she coped with disease, bombardment and other hardships at the Crimean battlefield. "In her introduction to the very welcome Penguin edition, Sara Salih expertly analyses the rhetorical complexities of Seacole's book to explore the richness of her story. Traveller, entrepreneur, healer and woman of colour, Mary Seacole is a singular and fascinating figure, overstepping all conventional boundaries." Jan Marsh, Independent "It's hard to believe that this amazing adventure story is the true-life experience of a Jamaican woman - it would make a great film." Andrea Levy, Sunday
