KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Spannende Fantasy mit kleinen SchwchenVon DragonaWorlds Unseen ist Band 1 der Seventh World Trilogy. Die

Bücher sind jeweils ca. 320 Seiten lang (laut "Gehe zu"-Menü auf dem Kindle). Bei dieser dreiteiligen Buchreihe habe ich während des gesamten Lesens geschwankt zwischen 3 und 4 Sternen, mich aber letztlich für 4 Sterne entschieden. Die Geschichte erzählt mehrere Handlungsstränge mit verschiedenen Personen, die nach und nach zusammengeführt werden, und sich auch wieder trennen. Es geht um Gut gegen Böse, beides natürlich brennend. Einige der Hauptpersonen haben Gaben, die sie einsetzen müssen, um das Gute ("the King") zurück in unsere Welt zu holen, und das Böse ("the Darkness") besiegen zu können. Zauberer (oder eher Hexer) gibt es nur auf der bösen Seite. Die Hauptpersonen werden leider nicht wirklich ausgeleuchtet, man sieht eine Kontur, die aber nicht mit Farben gefüllt wird. Ähnlich ist es auch mit Umgebungsbeschreibungen, was natürlich auch den Vorteil hat, dass man sich nicht in Langeweile verliert. ABER: dafür war die gesamte Geschichte kurzweilig und spannend, was mich dann trotz der Schwächen in der Charakterbeschreibung und einiger weniger unlogischer Schritte sowie Rechtschreibfehler doch zu 4 Sternen bewegen hat.

Kurzbeschreibung Beauty and terror await beyond the veil in this classic Christian fantasy. The Council for Exploration Into Worlds Unseen believed there was more to reality than the Empire had taught them but when they came a little too close to the truth, tragedy ended their work, leaving the terrifying and beautiful world behind their own still hidden. Forty years later, one of the last Council members entrusts an ancient relic to the orphaned young woman Maggie Sheffield: a scroll that reveals the truth at last. Along with Nicolas Fisher, a Gypsy who hears things no one else can, Maggie sets out on a journey across the Seventh World to deliver the scroll to those who can use it. But the price of truth may be too high: for Maggie and Nicolas are tearing at the Veil between the seen and the unseen, between good and evil, between forgotten past and treacherous future. Monstrous forces are already on their trail. And when the Veil grows thin enough, it's anyone's guess what may come through. **WORLDS UNSEEN** is the first book in The Seventh World Trilogy, a Christian fantasy adventure with hints of steampunk and depths of spiritual truth. If you love page-turning action, memorable characters, and inspirational fiction that confronts darkness, reveals breathtaking beauty, and moves your heart to connect more deeply with God, this series is for you. Life-Changing, Inspirational Christian Fiction: From the Author Hey, my name is Rachel Starr Thomson. I love Jesus and believe wholeheartedly in the power of fiction to change our lives. While nonfiction may teach us something, fiction allows us to experience it. When we're experiencing truth, beauty, struggle, and triumph, we find our lives enriched and deepened by what we read. That's why I write. I want my readers to discover depths of truth about themselves, about the world, and about God that stretch and inspire them. My stories are always clean, but I don't shy away from hard questions and honest characters. Whoever you are, I believe in you. I believe your life has immeasurable worth. I believe you were personally handcrafted by a loving Creator with a vision and purpose for your life. I believe your struggles, your dreams, and your hurts matter. I believe you walk a path no one else does, one that is intended to benefit the world. I hope you'll enjoy what you read and come back for more. Most of all, I hope that through my stories, you'll forge a new depth of connection with the God who truly loves you.
