Von Otto Preston Chaney : Zhukov before purchasing it in order to gage whether or not it would be worth my time, and all praised Zhukov:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The book for anyone interested in the Soviet military.Von werhun@ix.netcom.comThis newest edition of "Zhukov" is a must for anyone that has an interest in the Marshal's career and/or an interest in the former USSR military machine and how it operated. After years of false and censored information on Zhukov and the Soviet military, "Zhukov" brings to light the the personalities (and incompetence) of such Soviet individuals as Stalin, Khrushchev, and Breznev. The book helps show how these 'leaders' (through their low level of intelligence and maturity) helped stunt the growth of the

USSR as a nation. Most importantly, the book brings to light the actual accomplishments of Marshal Zhukov (ie. Moscow, Stalingrad, Berlin, etc.) and how much of a role he had in the planning of these operations. From these accomplishments of the Marshal, one can see how 'cults of personalities' were able to appear in such magnitude in the former USSR. The book is a fast reader and highly enjoyable. Read it if interested in WWII from the Soviet perspective.

Kurzbeschreibung Marshal Georgi Konstantinovich Zhukov, hero of Leningrad, defender of Moscow and Stalingrad, commander of the victorious Red Army at Berlin, was the most decorated soldier in Soviet history. Yet for many years Zhukov was relegated to the status of "unperson" in his homeland. Now, following glasnost and the fall of the Soviet Union, Zhukov is being restored to his rightful place in history. In this completely updated version of his classic 1971 biography of Zhukov, Otto Preston Chaney provides the definitive account of the man and his achievements. Zhukov's career spanned most of the Soviet period, reflecting the turmoil of the civil war, the hardships endured by the Russian people in World War II, the brief postwar optimism evidenced by the friendship between Zhukov and Eisenhower, repression in Poland and Hungary, and the rise and fall of such political figures as Stalin, Beria, and Krushchev. The story of Russia's greatest soldier thus offers many insights into the history of the Soviet Union itself.
